Welcome

This month we are saying a big hello to new friends who will be joining us.

Hello to Nuvaan, Darcey, Thomas and Hannah who will be joining us in Gems. Welcome to Timur who will be playing in Topaz. Welcome to you all.

Christmas is officially over...

On behalf of the whole Chiltern team I would like to thank you all for attending the Christmas concert as well as the Christmas play and stay.

The children had worked extremely hard learning the words and singing in front of you all. I would also like to thank you all for being good sports and watching us perform outdoors even though it was a little chilly.

Thank you for all the lovely gifts and the beautifully written cards. Let's have a great 2018!

Gems: As there are many new friends joining us this month we will all take part in joint activities such as song time to make them feel welcome. The children have continued to enjoy exploring textures and so we will have many more activities surrounding this. The children in Gems will also be spending more time out and about in the local area.

Topaz: January is going to be a busy month for the children in Topaz, beginning with the introduction of Jolly Phonics for the children who are joining the room. The children will also be looking at patterns as it had become an interest during the month of December. The book of the month will be the Gruffalo! Look out for the exciting activities surrounding this.

Ruby: The children in Ruby room will continue their long term interest which is the building site as there is one opposite the nursery, they have also been invited for a tour once the land is deemed safe. Birds is another focus for the children, they will be bird watching and learning the names of specific birds found here in the UK.
